MASTER COURSE

The Master World Championships course follows the historic route of the Mythos Primiero Dolomiti Marathon, a well-established international marathon course that has welcomed thousands of riders over the years.

The race starts in the town centre of Fiera di Primiero, where riders immediately head toward the first slopes in the direction of Passo Cereda. The course enters a demanding cycle path that climbs towards Castel Pietra, before entering the spectacular Val Canali, one of the most iconic valleys of the Dolomites.

From here the course continues on gravel roads up to Col dei Cistri, followed by a long false-flat section through the Valle di Roda, directly beneath the towering Pale di San Martino massif. The route then reaches San Martino di Castrozza, where the first Feed Zone is located.

The race intensifies with a climb towards Malga Fosse di Sotto, followed by a rolling section through the forest nursery trails, leading riders to Malga Ces. In this area the course enters the Colbricon Bike Park, tackling two technical sections before beginning the climb towards Alpe Tognola, where one of the King of the Mountain (KOM) points is located.

From the top, riders descend through the Tognola Bike Arena, including sections of bike park trails, before reaching the Strada del Crel (second Feed Zone) which leads towards the high pastures of the Dismoni area. The course then climbs toward Forcella Calaita, another key point of the race.

At the scenic Lake Calaita riders encounter the third Feed Zone, before beginning a long and fast descent towards Passo Gobbera (fourth Feed Zone)

The course continues directly toward the climb to the Bedolè KOM, where it reconnects with the main final section of the course.

From there the race follows the same closing sector used by the Elite riders: descending through Cosalpi, passing again through the Dismoni area, and then entering the wild valleys of Val di Diavolo and Valmesta before the final climb to Malga Civertaghe, including the spectacular crossing of the Tibetan suspended bridge.

The race concludes with the technical Civertaghe descent and the final kilometres leading back to Fiera di Primiero, where the Master World Champions will be crowned.

REGISTRATIONS

Only licence holders 35 years old over may take part in the Masters World Championships. A race number is only issued on presentation of the licence.

The championships are usually organised in 5 year age groups: 35-39, 40-44, etc. Age groups will be combined when less than 6 riders enter an age group. In case of combined age groups titles for the respective 5 years age groups will be awarded (even when only 1 rider is entered).

JERSEYS

The riders taking part in the masters World Championships represent their country, but are permitted to use the equipment of their choice.

BIKES & EQUIPMENT

Only mountain bikes (MTB) are allowed, meaning bicycles specifically designed for off-road use.
Road bikes, gravel bikes, or hybrid bikes that do not comply with MTB specifications are not permitted.
Bicycles must have a pedal-powered drivetrain (chain and crankset); no motor or assistance is allowed (no e-bikes).

The use of an approved helmet is mandatory.

SIGNPOSTING

The signage along the course will be that of the Mythos Primiero Dolomiti event, appropriately customized with the official World Championship logo sticker.

GPS DEVICE & TRANSPONDER

The use of GPS devices (cycle computers, smartwatches, smartphones) is permitted and recommended for:

- navigation along the course
- recording personal data (speed, distance, track)
- individual safety

The use of a transponder by Endu / EVODATA is mandatory.

Participants who do not have one may rent it at the race office upon payment of a deposit.

Without this device, it will not be possible to record the time, and therefore the participant will not be included in the classification.

PARKINGS FIERA DI PRIMIERO

Fiera di Primiero is served by several public parking areas located near the town center. The main options include parking spaces along the town streets and open-air parking lots, suitable for visitors accessing local services. Additional parking spaces are available around the historic center and in nearby areas (Palestra Fossi, Lanterna Verde).

For camper vans, dedicated parking areas are available at Area Sosta Camper Tonadico, located at Via Zocchet 4, Tonadico, Area Sosta Camper L'Arca in Via del Pian, Mezzano, and Area Sosta Camper Malga Ces in Primiero San Martino di Castrozza (TN), 10.8 km away.
